

CARLOS' BIO

Some try to *Get Rich Quick or Easy* or are seeking *Fame & Adulation* –
I'm Working to *Become a Billionaire and Stay There for the Duration*.

I have and continue to Lay the Foundation both *Publicly* and *Privately* to
Clearly Demonstrate an *Alliance with Me can Yield Billions*.

At the **Real Bottom**, *Credibility* will be the **Strongest Asset**.

If you Have seen the Film "*Good Will Hunting*", then you already Know Me.

When **Einstein** wrote "*Special Relativity*" in c. **1905**, he wasn't recognized either.

My Seminal Work to Back That Up is Set Forth in
"The Gravity of Capital & Graphic Visualization".
