

OPEN LETTER TO CARLOS SLIM:

2013

In 2009, I Published My First Open Letter Offering to Lead you Over \$ 100 Billion within 4 Years.
In 2010, I Published “Zero Sum Game” and “Capitalism Reigns” Publicly setting forth the Means to do so.

**The Events of August & September 2011, Publicly Proved Me Right:
I Have Made Good on My Offer. (“100 Billion Proved”)**

As the Cream Rises to The Top – It Comes Off at The Top.

Icarus Manifested: The Wings of Overvaluation in the Sun of Leverage.

**There is only One Way, and that is Down.
And when the Real Bottom does arrive, it will Last Years, Not Months.**

**You’ve seen the Peak of your Wealth – and Tens of Billions in Downside lay ahead.
You are on the same Path as Ricardo Salinas Pliego – and he isn’t Done on the Downside.
The “Keynesian” Loser’s Club is in its Early Stages.**

**Everyone around you and all the “Advisors” put together Cannot stop it:
The Square of Past Results won’t Extrapolate into the Circle of Unfolding Reality,
No Matter Who You Are. Mathematics are in Control, and they Won’t Be Denied.**

**The Legendary Jesse Livermore’s Seminal Point:
There is Only One Side to Capital, and that is The Right Side.**

The “Right Side” is Majority Capital Short and the Balance in US Treasury Bills.

**I Have a Clear Vision and Solid Plan – with The Record to Back it Up:
From where you are Today you can Still Cross the 100 Billion Line.**

Why Lose ?

And to the question Pregnant herein, Julius Caesar is rumored to have said:

“It’s only Arrogant if I am Wrong.”

But I am Not Wrong.

**I Invite You and Anyone Interested to Carefully Examine My Public Record
on The US Dollar, Interest Rates and Gold, and you will see that is
Confidence based on Proven Talent - Not Arrogance.**

**I Will Prove It Face to Face: I’ll Detail the Move Fully -
If We Take it, Tens of Billions Will be Made; If Not, You’ll Lose Tens of Billions.
Either Way, Whether you Take it or Leave it, My Credibility is Established.**

You can be a Victim of Events, or a Leader of Events – The Choice is Yours, Here and Now.
